

ජාතික සුවසේවා ප්‍රදර්ශනය தேசிய சுகாதாரநல கண்காட்சி National Healthcare Exhibition

About The Event

Medicare – National Healthcare Exhibition is Sri Lanka’s biggest healthcare exhibition covering both B2C and B2B sectors. The event is organized by the Organizing Committee of Medicare under the patronage of the Ministry of Health Sri Lanka in collaboration with specialist medical associations which look at the bigger picture to make the right healthcare awareness to the public at the right time. The event showcases the latest in modern healthcare, disease prevention, effective treatment methods, the newest technology, and the latest services available in Sri Lankan hospitals and laboratories as well as the global medical sector.

Over the decade Medicare has gained the trust of the public and members of the healthcare fraternity. The high quality of the expo is determined by its variety of exhibitors and the solid visitor profile that it attracts. It has exhibitors from all three major sectors- medical equipment, pharmaceuticals, and hospitals of the healthcare industry coming from all over the world. With this sort of solid momentum, Medicare is looking to reach out to each one in need of more health awareness.

5 Reasons the biggest healthcare expo in Sri Lanka is important.

1. Medicare is the Sri Lanka’s biggest Healthcare Expo
2. Holistic Exhibition
3. Biggest brains behind Medicare
4. To days’ seminars from experts
5. International Exposure
